Buttercup Play Group

The Buttercup Play Group is a special gathering where young children and a parent, guided by a Waldorf teacher, enjoy a rhythmic morning of songs, movement, handwork, snack and conversation. Through these activities, parents learn from each other while modeling for the children the joy of meaningful activity. The Buttercup Play Group is an opportunity to slow down, enjoy our children and each other, and bring a precious moment of peace into our lives.

Approximately eight families participate in each class. Children will benefit most from this program if they are 1½ years to 3½ years.

Typical activities include:

- Outdoor play/nature walks
- Creative play
- Circle time (singing, verses, movement, finger play)
- Storytelling and/or puppet shows
- Simple organic whole food snack
